

PLEASE JOIN US!

Now meeting both virtually and in person.

UofL Health – Frazier Rehab Institute – Center for Advanced NeuroRehab offers a monthly support group for brain injury survivors (e.g. traumatic brain injury, stroke, brain tumor, concussion, and other neurological diagnoses). The group is dedicated to supporting survivors throughout the recovery process and beyond.

Each meeting offers an opportunity for survivors to share their experiences, ask questions, and make meaningful connections with others. Educational opportunities are scheduled intermittently. A clinician from the Frazier Rehab Institute – Center for Advanced NeuroRehab will facilitate the meeting.

New Location!

Brain Injury Alliance of Kentucky
7321 New LaGrange Road, Suite 100
Louisville, KY 40222
