Father's Day Picnic Celebrate Juneteenth with your father!

Get screened, enjoy a picnic lunch, and receive a free KAAAC t-shirt!

Finding cancer early might save your life! Talk to your doctor to find out what cancer screenings are right for you. **Do it for those you love!**

The Harriett B. Porter Education and Research Endowment was established at the Brown Cancer Center, University of Louisville in memory of Harriett B. Porter. Proceeds from the Endowment are used to fund outreach and research programs to reduce cancer health disparities. Throughout her life, Harriett Porter, a teacher and breast cancer survivor, promoted cancer prevention and early detection and supported newly diagnosed cancer patients.

For the Love of Harriett and for those you love, consider making a tax-deductible contribution to the Endowment. Your donation will be used to support cancer education and screening programs in Louisville's African American community. Visit: <https://give.louisville.edu/PorterCancerPrevention>
