

# LPN-to-BSN

STARTING SUMMER 2024!

100% ONLINE, Concurrent Enrollment Program (CEP)

Students who are Licensed Practical Nurses and who have successfully enrolled in their first semester at a **Kentucky Community and Technical College System (KCTCS) school**, are now eligible to enroll concurrently in UofL's 100% online BSN program.

## PROGRAM BENEFITS

- Flexible schedule, BSN classes 100% online
- Accelerated 8-week courses
- Proactive academic advising
- Expert mentor support
- Scholarships & stipends available
- Career Center support
- Student Success services
- Cutting-edge academic resources
- Reduced tuition (*just \$375 per credit hour*)
- Save \$11,250 with completed Nursing Portfolio (*earn 30 credit hours tuition-free*)

## ADMISSION CRITERIA

- ✓ Current enrollment in good standing at KCTCS School
- ✓ Successful completion of first semester ADN courses at KCTCS School
- ✓ No prior failures in a nursing course
- ✓ 2.0 cumulative GPA
- ✓ Unrestricted LPN License

UNIVERSITY OF  
**LOUISVILLE**  
SCHOOL OF NURSING

**BEFORE YOU APPLY** Connect with Coleen Costar, UofL's LPN-BSN Program Academic Counselor  
[coleen.costar@louisville.edu](mailto:coleen.costar@louisville.edu) or our UofL Enrollment Counselors at [online@louisville.edu](mailto:online@louisville.edu)

**PLAN OF STUDY**

Complete up to 6 of UofL's online BSN courses while enrolled in the KCTCS ADN program.

<b>NURS 381</b>	Foundations for Evidence-based Professional Nursing
<b>NURS 387</b>	Pathophysiology and Pharmacotherapeutics for RNs (4 credit hours)
<b>NURS 382</b>	Nursing Research for Evidence-based Practice
<b>NURS 383</b>	Case Management for Individuals and Families
<b>NURS 388</b>	Global Health: Disparities and Social Determinants
<b>NURS 482</b>	Health Promotion for Individuals, Families and Communities

**Total credit hours available in CEP: 19/31 credit hours**

**After completing an ADN degree**, participants are free to sit for the (NCLEX ®)exam. Upon successful completion of the (NCLEX®), participants can enter the workforce as an RN. They can continue onto their UofL courses directly.

**Need a break after earning your ADN?** No problem, participants can pause and come back to finish their final BSN courses as a UofL student.

**DID YOU KNOW?**  
The American Association of Colleges of Nursing strongly believes that RNs should be, **at minimum**, prepared with a BSN from an accredited university.

<b>Concurrent Enrollment</b>	<b>Summer</b>		<b>Fall</b>		<b>Spring</b>	
	8-week course <b>NURS 381</b> <i>Foundations For Evidence-based Professional Nursing (3)</i>	8-week course <b>NURS 387</b> <i>Pathophysiology and Pharmacotherapeutics for RNs (4)</i>	8-week course <b>NURS 482</b> <i>Health Promotion for Individuals, Families and Communities (3)</i>	8-week course <b>NURS 382</b> <i>Nursing Research for Evidence-based Practice (3)</i>	8-week course <b>NURS 383</b> <i>Case Management for Individuals and Families (3)</i>	8-week course <b>NURS 388</b> <i>Global Health Disparities and Social Determinants (3)</i>
